A PERFECT TRAVELING COMPANION

The summer travel season is just around the corner, and a Columbus Metro Visa Travel card is the perfect traveling companion. It's convenient, flexible and secure — just what you need when you're on the road.

 **Convenient** — Unlike traveler's cheques, a Visa Travel card may be used in a variety of ways. Use it wherever debit cards are accepted for both PIN- and signature-based transactions, get a cash advance, or make a withdrawal at an ATM (fees may apply for certain transactions). You can monitor your spending and your card balance by phone and online at www.myprepaidbalance.com.

 **Flexible** — Preload your travel card with any amount from \$100 to \$3,000. If you need additional funds while you're away, simply call us and we can reload it with funds from your account for just \$2.95. Once you return home, save your card — it can be reloaded and used for future trips.

 **Secure** — A Visa Travel card is safer than carrying cash, and you don't have to expose your personal credit or debit card to the risks associated with travel. Emergency replacement service is available if your card is lost or stolen.

Our Visa Travel card is convenient, flexible and secure — the perfect traveling companion.

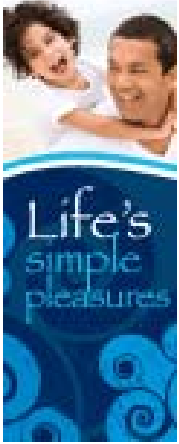

Visa Travel cards are just \$7.95, and an optional companion card is \$2.95. The companion card has a different card number but shares the same account information and balance as the primary card. Give the companion card to a family member traveling with you, or place it somewhere for safekeeping. If one card is lost or stolen, you can cancel it and continue to use the remaining card.

For more information, visit www.columbusmetro.org/prepaidcards.html. You can purchase your Travel card at any Columbus Metro office, so stop in today. Bon voyage!

This card is issued by MetaBank, a federal savings association, pursuant to a license from Visa U.S.A. Inc.
